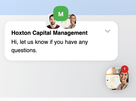
Manage all your global finances with the Hoxton Wealth App

Effortlessly manage your financial world with Hoxton's comprehensive app, bringing all your global finances together for seamless control and insight.

Try For Free

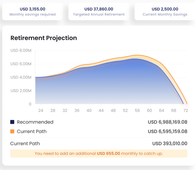


Net Worth Tracking

Gain a clear understanding of your overall financial health. Our net worth tracking feature provides a consolidated view of your assets and liabilities, helping you make informed decisions to grow your wealth.

Retirement Calculator

Plan for a worry-free retirement with our powerful calculator. Estimate your future financial needs, set achievable retirement goals, and take proactive steps towards securing your financial future.

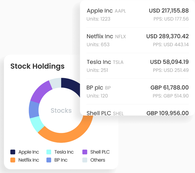


Track Bank Accounts

Effortlessly manage your bank accounts in one place. Keep an eye on your account balances, transaction history, and financial activity easily and conveniently.

Track Stock Holdings

Stay informed about your stock investments. Monitor real-time market performance, track your stock portfolio, and make timely decisions to optimise your investments.



Track Crypto Holdings

Navigate the world of cryptocurrencies with confidence. Monitor your crypto holdings, track market prices, and ensure your digital assets are secure and growing.

Your Vault

Safeguard your important documents and information in a secure digital vault. Keep sensitive data, financial records, and vital documents protected and easily accessible whenever needed.

Investments

In addition to bank accounts, connect and track your investments' current value and performance.

Vehicles

Add your owned vehicles as part of your asset portfolio.

Properties

Monitor property values regardless of location or currency, with live mortgage balance tracking in the liabilities section for mortgaged properties.

Custom Assets

Add in any other items of value (private company shares, physical valuables, artwork) to complete your holdings and your calculated 'Net worth'.
